Update to Temporarily Suspension of Choice Loan Programs

While our temporary suspension of the Choice loan programs is still in effect, there are some updates to how we will address loans currently in the pipeline:

- Choice Loan programs currently Locked & Clear-To-Close, Locked & Approved With Conditions or Locked & Approved WILL BE HONORED. The lock may be extended or relocked.
 - Loans Locked, regardless of the stage in the origination process WILL BE HONORED. The lock may be extended or relocked.
 - Relocks, Extensions or Renegotiations using a Choice program will follow our written procedures. The program will NOT need to change.
- Questions should be directed to secondary@wintrustmortgage.com.
