RE: UPDATE - TAX SERVICE FEE INCREASE

Effective June 15, 2009, Wintrust Mortgage Corporation has found it necessary to increase the tax service fee we charge to \$89.00 (previously \$79). The new fee will be in effect for all loans closed 6/15/09 and after.

Since this is a fee that is passed through to the borrowers, please make sure that all closers are aware of this increase so that there is no shortfall at time of purchase.

If you should have any questions, please feel free to email correspondent@wintrustmortgage.com or contact Valerie A. Moavero at (800) 999-2649.

The Correspondent Partner Guide will be updated shortly to reflect the new fee.

We thank you for your continued support in our Correspondent program.
